Enrollment Agreement

1. The activation fee and the monthly subscription fee begins upon account activation. If joining in the middle of the month a prorated portion for the current month will be charged. Monthly subscription fees will be billed on or around the first of the month.
2. The names and email addresses contained in my database are NOT from a purchased list but are friends, acquaintances and members or participants of an organization or association to which I belong.
3. e-Relationship has no long-term contracts. The producer can cancel at the end of any month, per the cancellation policy located on the e-Relationship.com website.
4. Pricing is for databases containing up to 3,500 contacts with email addresses. Overages will be charged at a rate of \$50 per additional block of 3,500. (Does not include contacts that are invalid or who have opted out.)
5. Any interruption in the service of your account due to nonpayment/billing will be subject to a \$15 re-activation fee.
6. Charges will appear on your credit card as coming from Identity Branding, Inc. They will not appear as the service name of e-Relationship.
